PLEASE CHECK THE BOX BESIDE THE VOLUNTEER POSITION(S) YOU ARE INTERESTED IN BELOW.

Animal Rehabilitation Keep (ARK) Volunteer:

Regular Volunteer: Volunteers attend regularly scheduled weekly shifts either in the morning (9:30am - 12:30 pm) or afternoon (1:30pm - 5:00pm). Daily tasks involve food preparation, feeding, enclosure cleaning, water refills, laundry, and dishes. Other duties consist of cleaning cages, tubs, tanks, and floors. Additional daily tasks are provided if time permits which may include freezer inventory, weed maintenance, organization, and other alternative projects. If needed, volunteers may aid with moving animals from enclosures and assist with weight checks.

Animal Rescue: Once trained with handling of sea turtles and a diverse array of birds, rescues are permitted. This involves traveling in your own personal non-UT vehicle to pick up animals at an established site. Individuals must feel comfortable rescuing the species prior to departure and ensure that they have a suitable enclosure for transport. Due to the nature and size of sea turtles, rescues may require more than one person with the ability to lift heavier animals. Due to the nature of wildlife in our area, most rescues require having a vehicle that can be driven on the beach.

Events: The ARK is involved with a variety of events throughout the year that may take place on the UT Marine Science Institute property or off property at a variety of locations. Examples of yearly events include the Whooping Crane Festival, Sand Fest, and sea turtle releases.

Turtle Patrol: Kemp's Ridley Sea Turtles' nesting season on the Texas coast begins April 1st and ends July 15th. Throughout the season, patrols are conducted on the beach either in a UTV or enclosed non-UT personal vehicle. Surveying extends to San Jose Island where assistance may be needed on a situational basis. To be involved with Turtle Patrol, you must attend a yearly nesting and stranding training at Padre Island National Seashore and an ARK UTV training.

Friends of the ARK: The Friends of the ARK (FOTA) is a 501c3 nonprofit organization dedicated to fundraising to benefit the ARK. Involvement may include attending events, selling merchandise, and collecting donations. If you are interested in becoming involved with FOTA, the primary contact is Lee Harrison, who can be reached at friends@friendsoftheark.org or (361) 332-631.

Education Volunteer:

Patton Center Docent: Work a regular 3-hour shift as a docent for the Patton Center for Marine Science Education in Port Aransas, TX. Docents greet guests, monitor the touch tanks, educate the public on aquaria exhibits, answer questions, and help the public interpret and interact with static graphics and their associated activities.

Programming: Assist education staff with educational programming for K-12 students and the general public. Programs may occur at the WEC, BEC, and/or other UTMSI administered locations.

R/V Katy: Assist education staff/naturalist with programming and safety aboard the R/V Katy. Must be 18 years or older and in good physical condition. Programs on this research vessel are typically 4 hours in duration, so volunteer must be able to endure variable weather conditions and be willing to get wet and dirty while on-board for extended periods of time.

Aquaria: Assist UTMSI staff in maintaining aquaria. Duties may include feeding animals and assisting with cleaning tanks, life support systems, and tools.

- Events:** Assist staff at festivals or events. Duties may include assisting with education programs, setting up and facilitating interactive/informational booths, taking photographs, and related miscellaneous tasks as needed.
- WEC Tours:** Lead public tours of the Wetlands Education Center (WEC). Tours occur on Tuesday and Thursday mornings at 9:00am and last one hour. These tours focus on the flora and fauna of our wetlands and dunes.
- Bay Education Center:** Greet visitors at the Bay Education Center (BEC) in Rockport, Texas. Sporadically help as a substitute educator for Science on a Sphere presentations.

Stewardship Volunteer:

- Invasive Species Removal:** Help remove invasive species of plants from UTMSI property and assist in replanting native plant species. Help grow seedlings or cuttings of native plants. Volunteer must be in good physical condition and able to handle harsh climatic conditions such as high temperatures or strong winds.

Lab Volunteer:

- Assist researchers in laboratory experiments. Duties may include data entry, data analysis, water/sediment filtration, setting up/taking down and organizing equipment, preparing media and solutions, maintenance and cleaning of glassware and equipment, resolving problems with equipment, and care of animals and various microscopic organisms.

Citizen Science Volunteer:

- Assist researchers by collecting data for active projects. Volunteers may be required to lift ~10lbs, walk >.5 miles, work on a dock above water, and use a hose. Specific duties and conditions will vary based on sample location.

Other Duties: _____

This is to acknowledge that I desire to volunteer my services, performing the duties listed above and that volunteer services rendered by me will be at the direction of the above assignment. Further, I affirm that I understand that I must abide by all University policies and regulations and that I serve at the pleasure of the University.

Personal Equipment Liability

I, the above-named volunteer, have voluntarily agreed to provide my own personal equipment for use by me in performing my volunteer services. I understand that my equipment may be exposed to other participants and the general public. I understand that it is my personal responsibility to take whatever reasonable precautions may be necessary to protect my personal equipment from damage or loss. I further understand that the University of Texas is not responsible for any damage or loss of my personal property suffered as a result of my participation in or in connection with the performance of my volunteer services for any reason. Accordingly, I hereby release and hold harmless the University of Texas and its officers, employees and agents from any liability for any loss, cost, or damage to my personal property for any reason whatsoever arising out of or in connection with my activities or performance of my volunteer work.

It is the stated intention of both the volunteer and the University that all creative “Works” received and/or created by the volunteer in connection with performance of volunteer work, are to be the sole and exclusive property of the University. “Works” means works of authorship and any contribution in such works, created by a volunteer in the course of performing their volunteer assignment, or otherwise, for the use or benefit of the University, and includes web design, software, systems, programming, graphics, text, audio, video, artwork, drawings, photographs, plans, materials, scripts, exhibits, music, choreography, or other items of intellectual property. If, however, I as volunteer should be deemed “author” and owner of the copyright in any such Works, I hereby grant to the University the rights described below.

Copyright Use License

In consideration of and as a condition of the volunteer opportunity offered to me by the University of Texas at Austin, I, the above named volunteer, hereby grant the University of Texas at Austin a perpetual, non-exclusive, worldwide, royalty-free license to reproduce and publicly display the Works, in whole or in part, and to incorporate the Works, in whole or in part, into other works, in any format, size, resolution, or media as determined solely by the University of Texas at Austin.
